

Cooper - Smears - Strong **SHORTHORN SALE**

BAPTON CONSTRUCTOR sire of BRAESIDE STATESMAN

This world renowned sire is probably having a greater influence on Short-horn cattle than any other bull in history. He was owned in three countries, has had sons exported to at least three other countries and has more direct sons serving in top herds than any other bull. "Constructor" lives on through his potent sons and grandsons. Braeside Statesman sells as Lot 1.

Foreword

On Friday, June 24th, one of the better Shorthorn Sales of the year will be held at the Saskatoon Auction Mart. On offer will be Shorthorns from leading breeders in the Province of Saskatchewan.

The Cooper Brothers' herd of West Bend is well known. The strength of their breeding program is evidenced by the fine showing they make each year at the Regina Bull Show and Sale. This sale includes the complete dispersal of William Cooper's interest in this reputation herd. One herd sire is selling—Braeside Statesman by the world famous Bapton Constructor, and several females carry his service. Also selling are two yearling bulls. Eight of the fourteen cows with calves at foot are by Norseman 10th. Six bred heifers are on offer and seven yearling heifers. This William Cooper dispersion affords an opportunity to buy into a proven breeding program.

Smears Brothers are selling thirteen heifers including all of their 1965 female calf crop. Here are replacement heifers for the progressive breeder or foundation stock for the beginner. All are by Ardormie Randolph by Barscona Beauty's Purvis who did a great job for John Moellenbeck and is now in the Muirhead herd at Shellbrook.

Hugh Strong is offering two yearling bulls—one by Louada Supreme, \$3,000.00 bull at the 1964 Brandon International, the other is by Scotsdale Pirate an S. G. Bennett bred sire. Two cows sell bred to Louada Supreme.

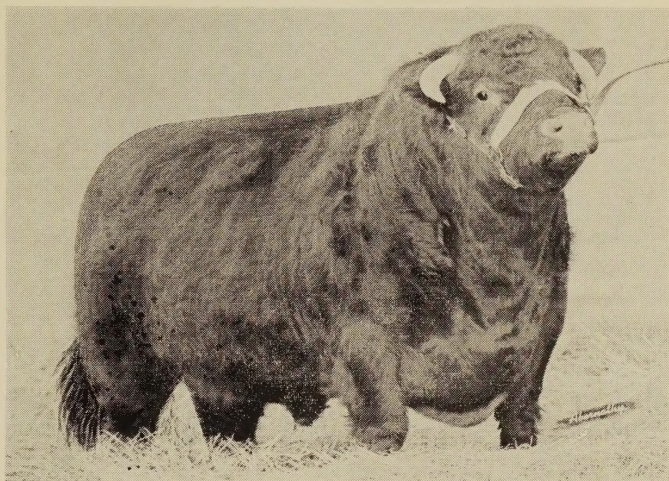

All in all, here is an outstanding array of Shorthorn breeding and quality.

Please accept this as your invitation to be with us on Friday, June 24th at the Saskatoon Auction Mart, where your comfort is assured and every assistance will be given prospective purchasers.

NOTES

KILLEARN ERIC 3rd by KILLEARN WELFARE

Claude Gallinger breeding at its best has been responsible for many of the Shorthorns offered in this sale. A son of Killearn Eric 3rd is in service at Cooper Brothers. Most of the Smears consignment trace to a Gallinger sire.
